Spring 2020 Scholarship Application

Deadline: November 28, 2019 • Fee (USD): \$50.00

Helpful suggestions – Think ahead - Do not wait until the day applications are due to begin your application.

Expect the unexpected - Do not wait until 11:55pm, the day applications are due, to attempt to submit your application.

Review your application - Do not submit your application until both recommendations have been submitted on your behalf.

Be courteous - Do not request a recommendation without speaking with the person from which you are requesting the recommendation.

Scholarship applicants do not need to submit a standard application to reserve a space in a workshop. Penland reserves at least four spaces in each workshop for scholarship recipients. To increase your chances of receiving a scholarship, we encourage you to list more than one workshop on your application however, only list those you would attend if offered the opportunity
